

Cell Biology Unit Colloquium

0009

2017 1.24 (Tue) 16:00-17:30
S2 Bldg 2F Rm203

Dr. Matthias Feige

Technische Universität München,
Germany

**Protein folding and quality control in the endoplasmic reticulum
- from basic principles to targeted interventions**

Dr. Johannes Buchner

Technische Universität München,
Germany

Molecular chaperones - cellular machines for protein folding

Tokyo Institute of Technology
Institute of Innovative Research
Cell Biology Unit
