

LST Research Fellow Program Info Session

The School of Life Science and Technology will introduce a new research fellow program from 2021. Info sessions will be held to make it public.

Masters students supervised by LST-affiliated professors, particularly the M1 students who have not decided their paths, are strongly encouraged to participate. Students from other universities are also welcome to join.

Venue: Zoom Web meeting
Detail https://educ.titech.ac.jp/bio/eng/event_information/2020/059833.html

**Wed, Dec. 1,
2020**

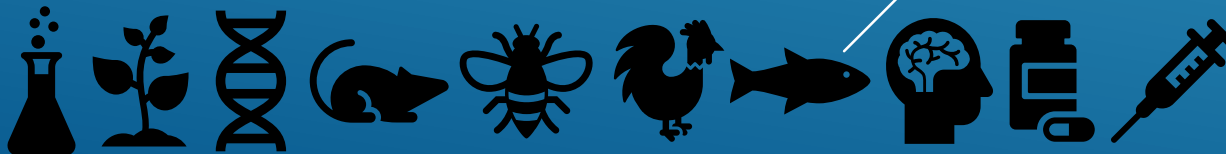

**Wed, Jan. 6,
