

Cell Biology Center
Colloquium

0035

2018 6.29 (Fri) 16:00-17:00
S2 Bldg. 2F Meeting room

加藤 昌人

University of Texas Southwestern Medical Center
Associate Professor

**Structure and function of
labile cross- β polymers formed from
low-complexity sequences**

Tokyo Institute of Technology
Institute of Innovative Research
Cell Biology Center
