

## Faculty Position in School of Computing, Tokyo Institute of Technology

**Title and Number of Opening:** 1 Associate Professor

**Affiliation:** Department of Mathematical and Computing Science, School of Computing

**Research Field: Mathematics** (Regardless of field)

**Location:** Ookayama Campus or Suzukakedai Campus

**Requirements:**

1. Doctoral or Ph.D. degree in the above research fields.
2. Ability to teach graduate/undergraduate courses and to supervise doctoral candidates in the Department of Mathematical and Computing Science.
3. Excellent (globally and leading) achievements in the above research fields and enthusiasm to explore new research fields.

**Term and Salary:** Term is unlimited (to age 65 of retirement). Salary will be determined according to Tokyo Institute of Technology Salary Regulations for employees.

**Expected Start Date:** April 1, 2018, or earliest possible date thereafter

**Required Documents for Application:**

1. Curriculum Vitae with photo (including academic background since high school graduation and professional career)
2. A list of publications and preprints, and a list of talks
3. Copies of selected (at most five) papers and a summary of these papers (up to 2 pages in A4 or letter size)
4. Summary of past education activities (research supervisions, lectures in Japanese and English, etc.) (1 page in A4 or letter size)
5. A list of external or competitive funds for research or education (specifying representative or share for each fund)
6. A list of academic and social activities
7. Summary of future research plan (1 page in A4 or letter size)
8. A list of two reference persons with affiliations, positions and contact addresses

**Application Deadline:** November 15, 2017 (without fail)

**Contact Address for Application:**

Associate Professor Screening Committee, Department of Mathematical and Computing Science  
Office of School of Computing, Tokyo Institute of Technology  
2-12-1 Ookayama, Meguro-ku, Tokyo 152-8550  
E-mail: jyoriko@jim.titech.ac.jp

**Others:**

1. Applicants must send the PDF files of application documents stored in a USB memory stick, CD-R or DVD-R disc by registered postal mail with the envelope written as "**Application Documents for Associate Professorship**" in red. Paper documents are not required. Application by e-mail attachment will not be accepted. The submitted materials will not be returned.
2. An interview (including a lecture or trial lesson) may be required in the screening process. In that case, the travel expenses are on own cost.
3. Tokyo Institute of Technology may provide start-up funding through an international support system, and a new faculty member may have a chance to apply this system.
4. Tokyo Institute of Technology values a diverse workforce and guarantees equal opportunities for women and foreign nationals.
5. Submitted documents are strictly protected under the Privacy Policy of Tokyo Institute of Technology and will be used only for the purpose of applicant screening.
