

Lecture by Professor Seth Lloyd (MIT)

「Quantum Computation: the State of the Art」

Date : Nov. 25. 2025 (Tue)
Time : 13:30-14:30
(General introduction)
15:00-16:00
(Recent results)
Venue : Main Building 1F M-123
Ookayama Campus,

- Prof. Lloyd's lectures are renowned for their exceptional clarity, making them accessible to all, including students.
- The first part will offer a general introduction to quantum computing, and the second part will present the latest findings.

Co-sponsored by :
